

### **MAWD Collaboration Award**

This award is to recognize an individual or team in the workforce system that has demonstrated excellence in collaborating with partners in WIOA implementation. Nominees should show practices in creating new partnerships, creating new practices with existing partnerships, or innovative programs developed through partner collaboration.

### **MAWD Integration Award**

This award is to recognize an individual or team in the workforce system that demonstrates integration of service provision through service/resource braiding. Nominees should indicate how they have included workforce partners in the planning process with mutual customers/clients and how the braiding was carried about to help the customer achieve their vocational goals.

### **MAWD Celebration of Partnership Award**

This award is to recognize an outstanding professional from a partner agency in the workforce system. Nominees should be employed by any partner involved in the workforce system, and should indicate how this individual promotes partnership, innovation and collaboration within the workforce community.
